

Code of Conduct

Dear Students,

“A well – disciplined school is a beautiful garden. The otherwise - a forest”.

You are the blooming flowers in the Garden of Jyotirmoy. There is a popular saying “Spare the rod and spoil the Child”. You know very well that we have spared the rod (no corporal punishment). At some point of time or other, some of you may indulge in any one of the indisciplinary acts. It is our responsibility to correct you for reformation. This will ensure good discipline in you for your beautiful future. Many scholars have contributed in framing this code of conduct, which you will be following JPS – CODE OF CONDUCT (COC)

This will be another subject for each examination 100 marks are allotted. Marks are awarded for the respective indisciplinary act in the code. For every indiscipline act the respective marks are taken away from 100. Pass marks are 40. You will be considered a failure even though; you score good marks in other subjects. A chart will be kept in your class-room, where your marks will be recorded.
