Dear Parent,

"There is always that one summer that changes you."

We are happy to announce that Jyotirmoy Public School will be having a Summer Camp for students of Class V onward from 13th to 15th May 2019. The Camp will focus on exposing students as per their interest areas in acquiring the skills. Different interesting activities are planned as part of the camp to keep children engaged and at the same time utilize the period to learn new skills. Students are expected to choose from the options mentioned below and submit their choice of activity to the respective Class Teachers within 06.05.2019.
